

Twilio

1. Go to <https://www.twilio.com> and login to your account

2. Visit <https://www.twilio.com/console>

3. Copy **ACCOUNT SID & AUTH TOKEN**

The screenshot shows the Twilio console dashboard for a project named "My first Twilio project". The left sidebar contains navigation links: Dashboard, Billing, Usage, Notification Preferences, Settings, Trust Hub (Beta), and Account Insights (Beta). The main content area features a "Project info" section with the following details:

- ACCOUNT SID:** A redacted value with a copy icon.
- AUTH TOKEN:** A redacted value with a "Hide" link and a copy icon.
- PHONE NUMBER:** A link to "See all phone numbers".

Below the "Project info" section is a "Step 2. Get started using Quickstart and CodeExchange" section with three options:

- SMS QUICKSTART:** "Learn how to use the Twilio SMS API step-by-step." with a "Read Quickstart doc" button.
- CODE EXCHANGE:** "Get code samples from Github to send your first SMS." with a "Get this code sample" button.
- QUICK DEPLOY:** "Deploy an SMS notifications app in less than a minute." with a "Deploy with no code" button.

At the bottom, there is a "Programmable Messaging" section with a "Messages" link.

4. Get a **phone number**

Plivo

1. Go to <https://console.plivo.com/dashboard/> and login to your account

2. Copy Auth ID & Auth Token

The screenshot shows the Plivo console dashboard at <https://console.plivo.com/dashboard/>. The page is titled "Overview" and features a sidebar with navigation icons. The main content area is divided into several sections:

- Account and Payments:** A card showing the account status as "Enabled". Below this, the "Auth ID" and "Auth Token" are displayed. Both fields are highlighted with red boxes, indicating they should be copied.
- Products:** A section with two cards: "Voice" and "SMS". Each card provides a brief description and a "Get started now >" link.
- Usecases:** A section with two cards: "2 Factor Authentication" and "IVRS". Each card provides a brief description and a "Get started now >" link.

At the bottom of the dashboard, there is a section titled "SMS Activity in the last 24 hours".
